

» Temporary custody – more flexibility for your transports

We are expanding our range of services at the Bamberg, Grossbeeren, Leipzig, Mannheim, Nuremberg, Passau, Regensburg, Ulm and Basel locations and offer you temporary custody.

Containers can be stored for up to 90 days. This means: more time, more flexibility and less deadline pressure in the T1-NCTS procedure.

» Your advantages

Extended storage option of **up to 90 days** for dutiable goods

Flat rate of € 50* for the entire period of storage under customs control

Significant reduction in customs deadline pressure

Full control through **active monitoring** of the custody period

The creation of a **T1-NCTS connection** is possible on request

* excl. storage fees/terminal conditions according to our conditions of sale
