

100%  
CO<sub>2</sub>-NEUTRAL  
FREIGHT TRANSPORT

## » Osnabrück – Hamburg » Bremerhaven » Wilhelmshaven: The CO<sub>2</sub>e-neutral alternative to road transport.

TFG Transfracht creates a CO<sub>2</sub>e-neutral rail alternative to road transport between Osnabrück and all loading points in Hamburg, Bremerhaven and Wilhelmshaven with relevance to the maritime sector.

With CTOS, another terminal powered by green electricity is joining the AlbatrosExpress network.

Six weekly departures provide 100% CO<sub>2</sub>e-neutral transport. Make your transport chains more sustainable and actively protect the climate.

### » Your benefits at a glance

#### Connections:

6 connections per week between the Osnabrück economic region and all major loading points in Hamburg, Bremerhaven and Wilhelmshaven

Connection to the B 68 (feeder road)  
Connection to the Iron Silk Road

Short transit times, fixed timetables

Individually coordinated port-to-door deliveries

#### Scalable train operations:

allow flexible increase in volumes

**CO<sub>2</sub>e-neutral transport:** With *TFGeco train* for 100% CO<sub>2</sub>e-neutral rail transport powered by green electricity

**CO<sub>2</sub>e-neutral terminal:** Terminal operation with green electricity

**CO<sub>2</sub>e savings vs. road:** Shifting approximately 40,000 TEUs to rail and using *TFGeco train* saves up to 7,000 tonnes of CO<sub>2</sub>e-emissions per year.

#### Container Terminal Osnabrück

- » **Transshipment:** 20', 30', 40', 45' containers
- » **Transshipment sidings:** 4 x 710 m each, 2 x 350 m each
- » **Storage capacity:** over 6,000 TEUs & extension areas
- » **Handling equipment:** 2 gantry cranes (41 t), 1 reach stacker
- » **TFG services:** SOLAS weighing, *TFGeco train & eco truck*
- » **CTOS services:** dangerous goods storage area, containment area, agency
- » **Eco services:** operation with green electricity, CNG/LNG refuelling station at the terminal

**AlbatrosExpress** – Whether northern, southern or western ports – customized concepts serve six ports and 26 terminals.
