

100%
CO₂e-NEUTRAL
FREIGHT TRANSPORT

» Osnabrück – Hamburg » Bremerhaven » Wilhelmshaven: The CO₂e-neutral alternative to road transport.

TFG Transfracht creates a CO₂e-neutral rail alternative to road transport between Osnabrück and all loading points in Hamburg, Bremerhaven and Wilhelmshaven with relevance to the maritime sector.

With CTOS, another terminal powered by green electricity is joining the AlbatrosExpress network.

Six weekly departures provide 100% CO₂e-neutral transport. Make your transport chains more sustainable and actively protect the climate.
