## » Erfurt – 12 times a week to the northern ports and back

6 times a week in both import and export, the AlbatrosExpress connects the economic region of the Erfurt freight village with the German seaports of Hamburg, Bremerhaven and Wilhelmshaven. For even more transports by climate-friendly rail and thus fewer CO<sub>2</sub>e-emissions.

### » Your benefits at a glance

	<b>12 connections</b> per week between Erfurt economic region and all major loading points in Hamburg, Bremerhaven and Wilhelmshaven
	<b>Direct connection</b> to all major loading points in the seaports
	<b>Short transit times, fixed timetables</b>
	Individually coordinated <b>port-to-door deliveries</b>
	<b>Scalable train operations:</b> allow flexible increase in volumes
	<b>Climate-friendly transport:</b> rail transport = 80% reduction in CO <sub>2</sub> e emissions compared with road.  <b>TFGreen eco solutions:</b>  <b>TFGeco train</b> enables 100% CO <sub>2</sub> e-neutral rail transport using green electricity.  <b>TFGeco truck</b> also enables 100% CO <sub>2</sub> e-neutral road transport using compensation
