

» We move sustainably.

» Riesa – 6 times a week to the northern ports and back

3 times a week in both import and export, the AlbatrosExpress connects the economic region of Riesa with the German seaports of Hamburg, Bremerhaven and Wilhelmshaven. For even more transports by climate-friendly rail and thus fewer CO<sub>2</sub>e-emissions.

» Your benefits at a glance

**Connections:**  
6 connections per week between Riesa and all major loading points in Hamburg, Bremerhaven & Wilhelmshaven

**Direct connection to all major loading points in the seaports**

**Short transit times, fixed timetables**

Individually coordinated **port-to-door-deliveries**, good highway connection to the **A14 und A9**

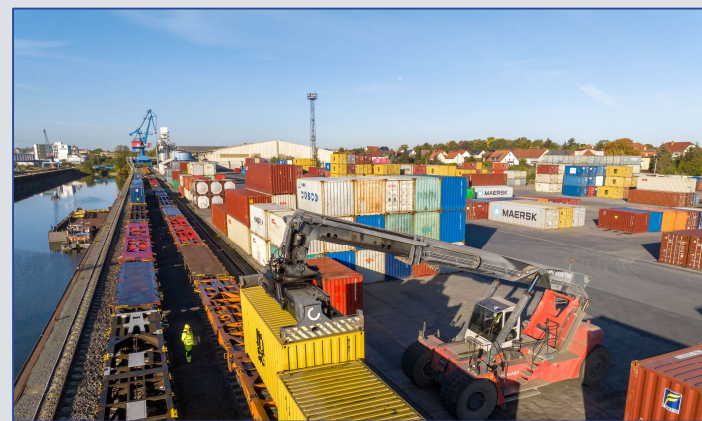

**Scalable train operations:**  
Allow flexible increase in volume

**Climate-friendly transport:**  
80% reduction in CO<sub>2</sub>e-emissions compared with road.

**TFGreen eco solutions:**  
**TFGeco train** enables 100% CO<sub>2</sub>e-neutral rail transport using green electricity.  
**TFGeco truck** also enables 100% CO<sub>2</sub>e-neutral road transport using compensation.

**Container Terminal Riesa**

- » **Transshipment:** 20', 30', 40', 45' Ctr.
- » **Transshipment sidings:** 2 x 320 m each
- » **Handling equipment:** 2 reachstacker, 1 gantry crane
- » **Services:** Dangerous goods storage area, reefer connection, agency, repair, cleaning and maintenance of containers
- » **TFG services:** SOLAS weighing, TFGeco train & eco truck

**AlbatrosExpress** – Whether northern, southern or western ports – customized concepts serve six ports and 25 terminals.

We're looking forward to hearing from you!
