

» TFG Transfracht and Hamburg Billwerder: the gateway to China.

Every day, the AlbatrosExpress connects 25 European terminals with the hub for Eurasian rail links and enables connections to over 20 terminals in China.

Clear the way for even more climate-friendly pre-carriage and onward carriage by rail - every day.

» Your benefits at a glance

Flexible, frequent connections:
between 25 terminals in Germany, Austria, Switzerland, Italy and over 20 terminals in Asia – every day

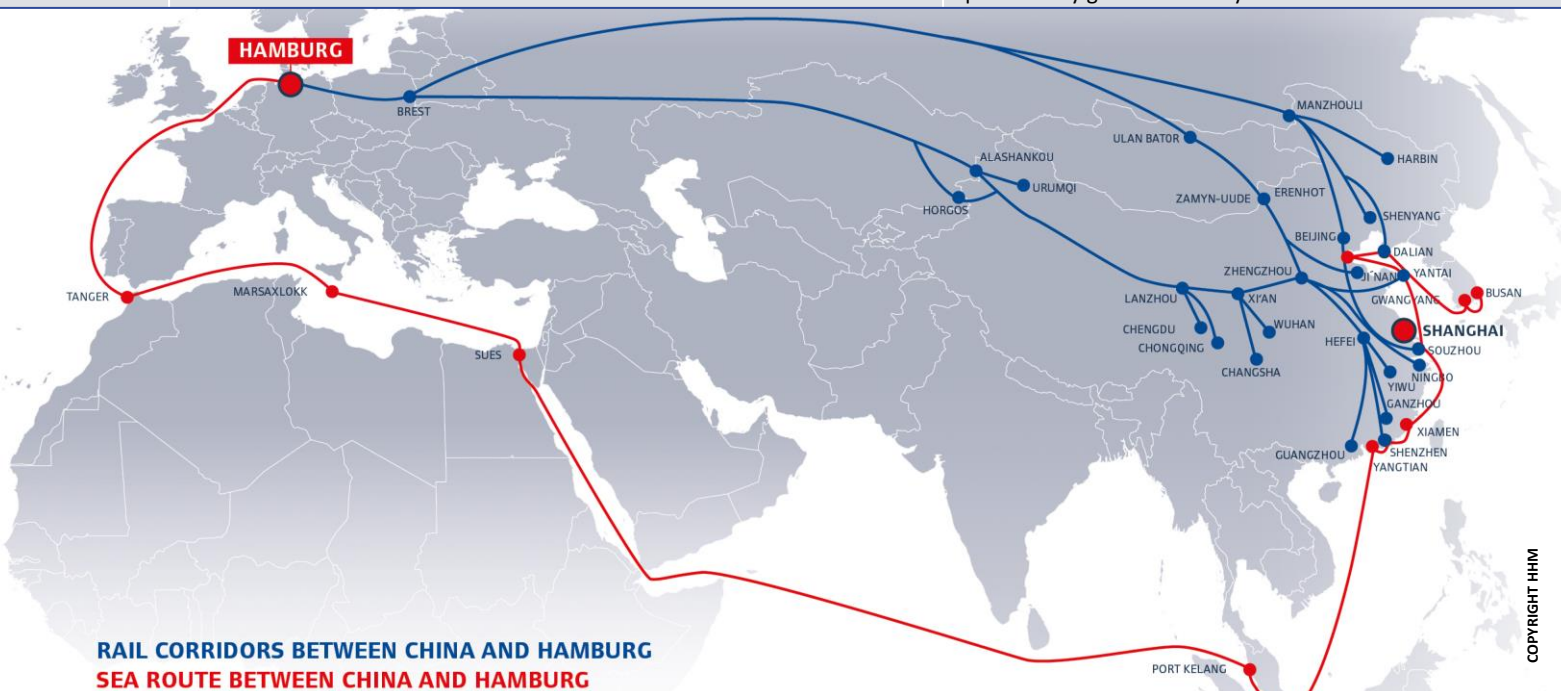

Scalable train operations:
allow flexible increase in volumes

Faster & more cost-efficient than ship and truck:
rail comes into its own on long-distance routes

Environmentally friendly transport:
80% less CO₂ emissions than lorries
TFGeco train also enables 100% CO₂-free rail transport powered by green electricity
