

Cargo

# An unbeatable Team in single wagon and container transport

DB Cargo and TFG Transfracht offer flexible and climate-friendly transport solutions by rail

**DB Cargo single wagon-network + combined transport with TFG Transfracht:** It doesn't always have to be block train – we start at one wagon for you

**Connection to national and international rail freight transport:** no private siding necessary

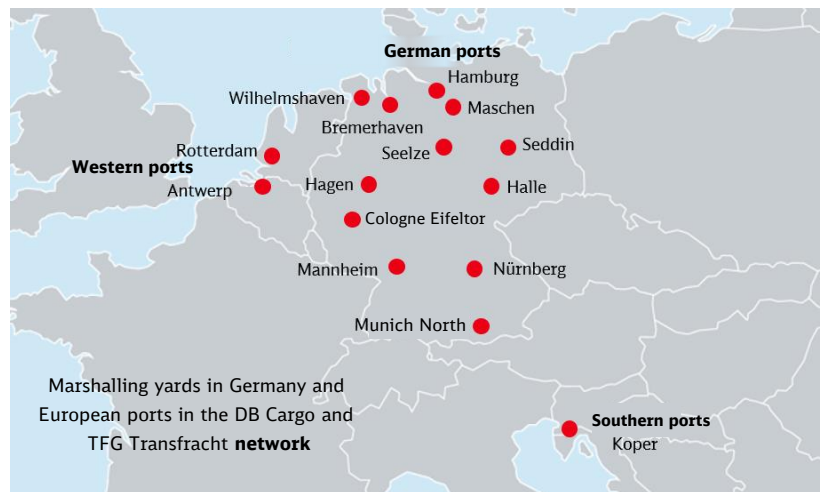

Fast and flexible **door-to-door-solutions**

**Environmentally friendly transport:** 80% less CO<sub>2</sub>-emissions compared to truck; issuing of CO<sub>2</sub>-certificates

Drive **100% CO<sub>2</sub>-free** by rail with our **DBeco plus** product
