

Cargo

An unbeatable Team in single wagon and container transport

DB Cargo and TFG Transfracht offer flexible and climate-friendly transport solutions by rail

DB Cargo single wagon-network + combined transport with TFG Transfracht: It doesn't always have to be block train – we start at one wagon for you

Connection to national and international rail freight transport: no private siding necessary

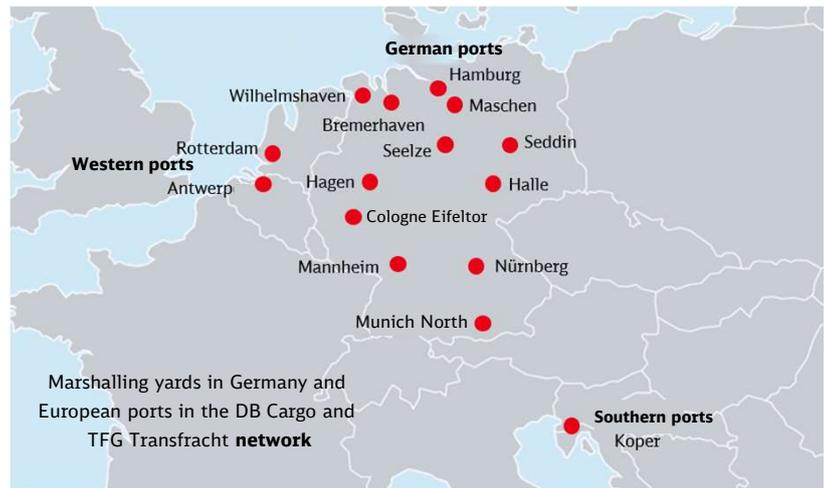

Fast and flexible **door-to-door-solutions**

Environmentally friendly transport: 80% less CO₂-emissions compared to truck; issuing of CO₂-certificates

Drive **100% CO₂-neutral** by rail with our **DB climate+** product
